Sodomite Sweden crushes Pastor Ake Green with the "Stockholm Syndrome"

A reign of terror grips Sweden, where Gospel preachers are jailed for opposing homosexuality. "A criminal prosecution is to be feared more than anything except death or serious illness," said Justice Learned Hand. It crushes the spirit, saps all strength, and drains away the creative juices of life. Especially for a preacher, his family and his church. It is psychological torture worse than the physical torture of the Spanish Inquisition, the Symbionese Liberation Army capture of Patty Hearst, or the Vietnamese POW treatment of Sen. John McCain.

Pastor Ake Green has denied Christ under torture!

Under torture, Spanish Jews became Christians, Patty Hearst joined her captors, and Sen. John McCain turned traitor to his country. This is called the "Stockholm Syndrome," and the faggot Swedes well know what it means and how to use it. After all, they invented it! That's why they passed their antichristic law making it a crime to preach against fags. That's why they prosecuted Pastor Ake Green -- to crush his spirit, make him deny Christ, and terrorize all preachers into sinful silence. Poor Pastor Green has denied Christ. The cruelest of all blows.

"Shall I not visit them for these things? saith the Lord; shall not my soul be avenged on such a nation as this?" Jer. 9:9.

WBC will erect a monument to the dead Swedes in Asia, swept away to Hell by those God-blessed Christmas Tsunamis of 2004. And WBC will fervently pray for more and worse deadly tragedies to befall fag Sweden.

"And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them? I tell you that he will avenge them speedily." Lk. 18:7,8.

Ake Green.

At left is the traitor to Christ under torture. At right is the symbol of blind, leprous, AIDS-riddled Sweden. "How long, O Lord, holy and true, dost thou not judge and avenge our blood on these Swedes?" Rev. 6:10.
